Have COVID-19 Questions? Call the Free Medi-Nurse Line: 1-877-409-9052

The Department of Health Care Services (DHCS) launched an advice line that can connect you with a nurse, day or night, to talk about COVID-19 symptoms and help link you with local resources in your area. These medical professionals are available **24 hours a day, 7 days a week**. This line is for anyone who:

- Does not have insurance, or
- Is a Medi-Cal member but does not have a regular doctor or managed care plan to oversee their care.

The Medi-Nurse line is available in multiple languages, with steps in place that allow you to access interpreters, as needed. When you call, a nurse will answer your questions. They can help you:

- Understand if your symptoms might be related to COVID-19
- Determine whether you need to self-isolate
- Decide if you need to see a doctor to get tested and/or treated
- Connect with a Medi-Cal provider who can help determine presumptive eligibility for Medi-Cal

Call 1-877-409-9052 to reach the Medi-Nurse line. If you have a regular doctor or a health plan, please call them first. If you do not, the Medi-Nurse line can help!

DHCS has made medically necessary COVID-19 testing **FREE** in California, even for people who do not have insurance, **regardless of documentation status**. For more information about the Medi-Nurse line, please visit the DHCS website [here](#).
