# Instructions for Completing the Electronic Funds Transfer (EFT) Enrollment Form

Providers can request a receipt of the information provided in the Corporate Credit or Debit Entry (CCD)+ addenda record of EFT transactions from their financial institutions. This addenda record includes the Medi-Cal Dental assigned check number and the Medi-Cal Dental Tax ID number. Providers can then use this information to reconcile EFT payments with their X12 835 Electronic Data Interchange (EDI) transactions.

To maximize the benefits available through the CAQH CORE Reassociation Rule, providers must reach out to their financial institution and request that the necessary data for reassociation of an EFT and Electronic Remittance Advice (ERA) be sent with each payment. Providers may use the sample letter below as a template that can be customized and provided to bank contacts. For assistance in completing the Electronic Remittance Advice (ERA) Enrollment form, please contact Medi-Cal Dental EDI Support at (800) 423-0507 (e-mail: [Medi-CalDentalEDI@gainwelltechnologies.com](mailto:Medi-CalDentalEDI@gainwelltechnologies.com)).

**Re:** Request for ACH Payment Related Information for <Account Name and Account Number>

Dear <key contacts at financial institution>,

The Affordable Care Act (ACA) mandates Healthcare Operating Rules to support the adoption of electronic payments across the healthcare industry. <name of provider organization> would like to benefit from the Healthcare Operating Rules which assist providers in automating reassociation of EFT payments and electronic remittance advices.

The *NACHA Operating Rules*, which align with the Healthcare Operating Rules, require a Receiving Depository Financial Institution (RDFI) to provide or make available, either automatically or upon request, all data contained within the ACH Payment Related Information field (including the TRN Reassociation Trace Number) of the Addenda Record, no later than the opening of business on the second Banking Day following the Settlement Date. The NACHA rules also require the RDFI to offer or make available to the healthcare provider an option to receive or access the Payment Related Information via a secure, electronic means. This change to the *NACHA Operating Rules* was made to support changes in the healthcare industry due to the ACA.

The purpose of this communication is to formally request receipt of ACH Payment Related Information for all CCD+ EFT payments received by <name of provider organization> for <Account Name and Account Number> to enable reassociation of EFT payments with electronic remittance advices. Please provide <name of provider organization> additional information on our options to receive secure, electronic delivery of the ACH Payment Related Information for including:

<Note from CAQH CORE: the below list is only an example of the types of things your organization may want to consider asking about and may be customized>

- Options for receiving the ACH Payment Related Information
- Approaches for testing the electronic delivery method to receive the ACH Payment Related Information
- Information regarding to the length of time to implement delivery of the ACH Payment Related Information
- Information about any fees associated with establishing electronic delivery of the ACH Payment Related Information

Thank you in advance for your assistance. If you should have any questions, please contact <key contact at provider organization> at XXX-XXX-XXXX. If we do not receive a response, we will follow-up on this <email/letter> via phone in one week.

Sincerely,

<your name>
