Dental Transformation Initiative - Domain 1 Provider Program Year 3 Rebaseline Update

The Medi-Cal Dental Program issued notification letters to providers between September 2018 and February 2019 regarding new Dental Transformation Initiative (DTI) Domain 1 baseline and benchmarks. These letters were issued to providers affected by the rebaseline policy issued in a September 2018 bulletin ([Vol 34, No. 22](#)), effective beginning Program Year 3 (2018). **Providers should disregard those letters and the bulletin.**

The Medi-Cal Dental Program found errors in the application of the rebaseline policy and will be issuing a new rebaseline policy bulletin and notification letters with corrected data as soon as baseline and benchmarks are recalculated.

Any questions about rebaseline or status of notification letters can be directed to dti@dhcs.ca.gov.
