Aid Code 2C Updated for County Children’s Health Initiative Program Transition to Medi-Cal Dental

Effective October 1, 2019, the delivery of dental benefits for the County Children’s Health Initiative Program (CCHIP), also known as Healthy Kids, operating in the counties of Santa Clara, San Mateo, and San Francisco transitioned from their local dental plan to Medi-Cal Dental. As a result of this transition, **aid code 2C was changed from a non-dental benefit aid code to a full scope benefit aid code with no share of cost (SOC)**, effective October 1, 2019. Information about the CCHIP transition was originally announced in Provider Bulletin [Volume 35, Number 29](#).

The updated aid code description is as follows:

Aid Code	Benefits	SOC	Program/Description
2C	Full Scope	No	CCHIP above 266% - 322% FPL, age 0 < 19

To treat CCHIP children, dental providers must be enrolled in Medi-Cal and must confirm the children are transitioned into Medi-Cal Dental by viewing their eligibility status. Providers can verify eligibility through the [Medi-Cal website](#) or the Automated Eligibility Verification System (AEVS). For more information on member eligibility, please refer to the Dental Provider Handbook, [Section 4 - Treating Beneficiaries](#), pages 4-3 through 4-5.
