Limited Personal Protective Equipment (PPE) Supplies Now Available

On July 9, 2020, the California Dental Association (CDA) announced additional quantities of PPE were secured from the state's emergency resources. **Supplies are now available** through CDA's subsidiary, The Dentists Supply Company (TDSC), for a shipping and handling fee.

Quantities and ordering details

A total of 15,000 kits are available with an estimated value of \$741.93 per kit. Each kit contains:

- 140 BYD N95 respirator masks (7 boxes)
- 350 level-2 surgical masks (7 boxes)

There is a one-kit limit per licensed dentist to support as many dentists as possible.

To order a kit:

- Create a free account at [TDSC.com](#)
- Submit an electronic copy/image of dental license
- Place order (online only through the [TDSC.com ordering page](#))

Creating a TDSC.com account

If you don't already have a TDSC.com account, you will need to create one to place an order. TDSC requires a dental license number, along with the license type and state where issued to ensure that the kits go to California-licensed dentists only.

Tip: If you receive an error message that an account already exists under the email or license number you provided, you may want to follow the password reset instructions. [Download step-by-step instructions](#) (Microsoft Word doc) for creating an account, resetting a password, and placing an order.

Place your order now at [TDSC.com](https://tdsc.com).
