Reminder: Annual Medi-Cal Dental Provider Directory Refresh

Medi-Cal Dental will be updating the Provider Directory with its Annual Refresh Campaign. The directory is a tool members can access on the Smile, California Find a Dentist page and use to search for enrolled providers in their area who are accepting Medi-Cal patients. Displaying your status in the Provider Directory is an excellent way to build, maintain, and increase your patient base while also serving Medi-Cal members in your community.

Provider Directory Refresh Steps

1. You will get a notification from Medi-Cal Dental requesting that you complete and submit the Medi-Cal Dental Provider Directory/Referral Form. This is your opportunity to update your status in the directory so that your office either appears as “Accepting New Patients” or “Not Accepting New Patients”.

Continued on pg 6
2. Once you receive the notice, you will have **35 business days** to complete and submit the form.

   » **IMPORTANT**: If you wish to remain on the Directory as “Accepting New Patients”, you **must** submit a new form. **If you do not submit a form, your dental office will be listed as “Not Accepting New Patients” in the directory.**

3. You can submit the completed form in any of the following ways:

   » Email it to Medi-CalDentalEnrollmentDept@delta.org.
   
   » Mail it to Medi-Cal Dental in the postage paid envelope provided with the notification letter you received in the mail.
   
   » Fax it to the Provider Enrollment Department at (916) 853-6315.
   
   » Call the Telephone Service Center at (800) 423-0507 to have a representative assist you with completing and submitting the form.

**Please note:** Safety Net Clinics (Federally Qualified Health Centers, Rural Health Clinics, and Indian Health Clinics) will only be added to the Dental Clinics Serving Medi-Cal Members static list.

Thank you for your continued support and participation as we strive to improve oral health for Medi-Cal members all over California.
