2024 Provider Teledentistry Survey

The Department of Health Care Services (DHCS) is pleased to announce that enrolled Medi-Cal Dental providers have the opportunity to take the [2024 Provider Teledentistry Survey online](#) through April 30, 2024.

The purpose of this survey is to ensure we have the most comprehensive information possible regarding providers, who utilize teledentistry to render Medi-Cal dental services. This information will be shared on the Find-A-Dentist website to inform members which providers utilize Teledentistry services.

Providers can find the survey on the Medi-Cal Dental [website](#) and the *Smile, California* [website](#). Additionally the survey will be mailed to Medi-Cal Dental providers. Responses can be mailed back using the enclosed postage paid envelope.

Please only take the survey if you are currently enrolled in the Medi-Cal Dental program and please only take the survey once. Thank you for taking the time to respond.
