## NO CLAIM ACTIVITY FOR 12 MONTHS

Providers who have had no claim activity (submitting no claims or requesting reimbursement) in a 12-month period shall be deactivated per Welfare and Institutions Code Section 14043.62 which reads as follows:

*The department shall deactivate, immediately and without prior notice, the provider numbers used by a provider to obtain reimbursement from the Medi-Cal program when warrants or documents mailed to a provider's mailing address or its pay to address, if any, or its service or business address, are returned by the United States Postal Service as not deliverable or when a provider has not submitted a claim for reimbursement from the Medi-Cal program for one year. Prior to taking this action the department shall use due diligence in attempting to contact the provider at its last known telephone number and ascertain if the return by the United States Postal Service is by mistake or shall use due diligence in attempting to contact the provider by telephone or in writing to ascertain whether the provider wishes to continue to participate in the Medi-Cal program. If deactivation pursuant to this section occurs, the provider shall meet the requirements for reapplication as specified in this article or the regulations adopted hereunder.*
