New Forms Reordering Process Effective July 1, 2008

Effective July 1, 2008, providers will need to use a new fax number and/or mailing address when ordering Denti-Cal forms and EDI supplies. Providers are requested to discard all previous versions of the Forms Reorder Request form (DC-204, printed on yellow stock) and the EDI Supply Request form with a revision date of 03/08. After July 1, 2008, orders placed to Shamrock using the old address, fax number, or previous versions of the DC-204 or EDI Supply Request will not be fulfilled.

The new mailing address and fax number are as follows:

Denti-Cal Forms Reorder
11155 International Drive, MS C25
Rancho Cordova, CA 95670
(877) 401-7534

After July 1, 2008, providers are encouraged to fax the attached Forms Reorder Request and EDI Supply Request to expedite orders. As usual, a Forms Reorder Request or an EDI Supply Request will be included with each shipment of inventory.

DC-214A and DC-214B X-Ray Envelopes

Also effective July 1, 2008, the DC-214A and DC-214B envelopes used to submit radiographs/photographs with TAR/Claim forms will no longer be imprinted with provider name and address. Instead, providers will receive blank DC-214A and DC-214B envelopes *with* imprinted labels that will need to be manually affixed to the envelopes prior to mailing.

American Dental Association (ADA) guidelines require providers to keep original radiographs/photographs. Providers who require return of their radiographs/photographs are reminded to affix the mailing address and the "Do Not Recycle" (DC-020) stickers to the X-Ray envelopes.
